## 3. How did you find playing the Bespoke Tailoring Pictionary?

SP1 (L1): I though it was fun but not very helpful for learning.

SP2 (L2): It was fun and required deep thinking.

SP3 (L1): A fun ice-breaker activity but better if you already know the terminology otherwise you don't know what the word/picture means.

SP4 (L1): Digestable (sic) and fun.

SP5 (L1): Decent

SP6 (L1): Have not played it yet, but sounds interesting.

SP7 (L1): Very helpful. It allowed me to relate the name to the object very quickly.

SP8 (L1): The most helpful for remembering new vocabulary but maybe not the best for practicing.

SP9 (L1): Didn't play.

SP10 (L1): fun, however it wasn't as useful as we did it in the beginning of course leaving me to forget some vocab later on.

SP11 (L2): I didn't played

SP12 (L2): -

Anon 1 (L1): Fun but not necessary educational

Anon 2 (L1): Interactive and enjoyable

Anon 3 (L1): Helpful and fun icebreaker

Anon 4 (L2): Helpful in learning and recalling terms I forget about usually

Anon 5 (L1): Very good/fun way of learning the different components

Anon 6 (L2): Excellent way to interact and learn. Found it most useful for moulding team work and learn from each other.

Anon 7 (L2): Helpful and fun.

Anon 8 (L2): fun, useful

## 4. What else might help you learn tailoring terminology?

SP1 (L1): A sheet picture I can refer to.

SP2 (L2): Quizzes

SP2 (L1): Embedding it into technical demonstrations, mentioning the terminology throughout and briefly reminding students of the meaning.

SP4 (L1): Other forms of online access to info

SP5 (L1): I think actually using the tools or creating samples of the vocabulary and as we're making it constantly remind what the name is.

SP6 (L1): mini quiz in class line a mini test to prevent using online definitions.  
SP7 (L1): A recap of the components we will be using at the start of each presentation or worksheet.  
SP8 (L1): Flash cards with an image on one side.  
SP9 (L1): repetition, practice, reminders in class during the demos.  
SP10 (L1): taking notes when teacher talks, students writing their own vocab sheet.  
SP11 (L2): No  
SP12 (L2): practice  
Anon 1 (L1): Nil  
Anon 2 (L1): Anagrams or rhymes  
Anon 3 (L1): Having it said in practice and lessons to familiarise with them in practice.  
Anon 4 (L2): Maybe just by using the terminology more.  
Anon 5 (L1): Class interactions and industry work/visits experience. Also publications/speciality magazines/periodicals/podcasts/interviews  
Anon 6 (L2): Repetition in class and the use of it myself  
Anon 7 (L2): talking with friend

## 5. Do you have any additional feedback?

SP1 (L1): Sometimes introduction so many new steps can make it more confusing and harder to remember all the steps.  
SP2 (L2): No  
SP2 (L1): I think you do a good job of teaching the terminology to the students.  
SP4 (L1): No  
SP5 (L1): Nope  
SP6 (L1): No  
SP7 (L1): No  
SP8 (L1): N/A  
SP9 (L1): reminders and visual aids at the same time ie "here do a basting stitch which looks like this, and is useful because... "  
SP10 (L1): N/A  
SP11 (L2): No  
SP12 (L2): provide material list before the semester  
Anon 1 (L1): Nil  
Anon 2 (L1): No  
Anon 3 (L1): N/a  
Anon 4 (L2): N/A  
Anon 5 (L1): So far the class experience has been efficiently organised in order to ensure a good base for specialist vocabulary.  
Anon 6 (L2): No
